PREP 4 YOU

*Fresh & healthy
preparations made easy*

COMBINED MACHINES

*Maximum flexibility:
convert from slicer to cutter
and reverse, in few seconds!*

Consistent cutting results and maximized load capacity (1,25 lt.) thanks to the patented lever-pusher*

Large output chute for efficient ejection. Suitable for GN containers **up to 200 mm** high

Bowl and lid scraper for **uniform results** and **continuous working**

All ingredients are processed evenly and quickly thanks to the special flow generated inside the bowl

* Lever pusher applied for Patent EP19165854 and related family

Wide range of discs

Slice, dice, grate, shred with a variety of 22 optional disks and grids in different sizes.
Outstanding results even when dicing difficult vegetables such as **tomatoes** and **onions**

Save up to 95% of your time without manual preparations

							
	Tomato	Cucumber	Celery root	Onion	Cabbage	Pizza cheese	Carrot

Give a special twist to your **sandwiches** with crunchy salad, juicy tomatoes and tasty onions

Choose the right PREP⁴YOU combined machine

Vegetable slicer / Cutter mixer

Available in two versions:

Single speed with on/pulse/off function for simple operations

Variable speed for maximum flexibility:

- **5 levels vegetable slicer** adapting speed for high quality cuts
- **9 levels cutter mixer** for extra smooth results and emulsifying

Durable and reliable **industrial induction motor** for long life and silent operations. Asynchronous, direct drive motor, for extra power without need for maintenance

Combined model with 2,6 lt bowl

Speed	Phases	Power	rpm	Net weight
1 speed	1 ph	500 W	1500	15,8 kg*
Variable	1 ph	750W	500-3600	16.9 kg*

External dimensions (wxdxh): 348x328x527mm

* stainless steel bowl

Combined model with 3,6 lt bowl

Speed	Phases	Power	rpm	Net weight
1 speed	1 ph	500 W	1500	16.1 kg*
Variable	1 ph	750W	500-3600	17.2 kg*

External dimensions (wxdxh): 348x334x527mm
